At the Hungarian Battery Week you will learn about:

- ✓ Global and regional market battery and e-mobility outlook
- ✓ Development of the European regulatory framework
- ✓ Government policies and regulations
- ✓ Battery Energy Storage Systems market developments
- ✓ Sustainability, recycling and circularity of raw materials in the battery industry
- ✓ EV infrastructure developments and market perspectives
- ✓ Grid development with smartly integrated e-mobility solutions
- ✓ Hungary in the forefront of the e-mobility transformation
- ✓ Innovation, cutting-edge technologies in battery materials, cell design, manufacturing and recycling
- ✓ Training and skills for the battery industry
- ✓ Opportunities for suppliers in the Hungarian and regional battery value chain.
- ✓ Safety, workforce, and expertise in the battery industry

Registration is open now!

Our members can purchase their tickets at a discounted rate! Both one-day and two-day tickets are available for the conference.

1-day ticket 400 EUR instead of 450 EUR

2-day ticket 750 EUR instead of 800 EUR

[Proceed to ticket purchase](#)

Ticket purchase

- Select the type of ticket you wish to purchase on the website.
- Click on the "Purchase ticket" button.
- In the webshop, choose the currency in which you would like to pay and the number of tickets (you can claim the discount in the next step).
- At the Checkout, enter the coupon code entitling you to the discount: **HUBatteryWeek2024**
- The discount will be automatically deducted from the ticket price.
- Provide the delegate's details and invoicing information, then finalize the order.

Sponsorship

The Hungarian Battery Week will be a **unique opportunity** for all participants in the battery value chain and the e-mobility sector to **showcase their activities and technologies, strengthen their market presence, and increase their visibility.**

Sponsoring the event offers the chance to **network** with top industry professionals, decision-makers, and potential customers. This year, the event will be hosted at Hungexpo, an ideal venue for exhibiting new products, services, and innovations due to its **excellent exhibition potential.**
